Subject Re: 8:04-cr-00235-RWT, US v. Learley R. Goodwin 

Sharon:

The transcript of June 22, 2006, was incorrectly docketed by the docket clerk. The docket clerk mistakenly typed in "June 1, 2006" as the date of the transcript instead of "June 22, 2006." That docket entry, No. 1127, has been corrected and it now reflects the three transcripts which I filed on May 2, 2007, which were transcripts of June 22, 2006, August 1, 2006, and August 29, 2006.

Gloria,

I received an email about the certificate of filing the transcript, but I don't see the transcript of the testimony of 6/22/06 filed on the d/ct docket sheet. Has that transcript been filed?

Thanks,
